Folded leaflet A4, 2 panels (closed A5)

Print template · page 1 at 1:1 scale · finished size 29.7 × 21 cm · page 30.7 × 22 cm with 5 mm bleed

- Solid red line: cut line, finished size 29.7 × 21 cm.
- Pink band: 5 mm bleed. Extend your background to the outer edge.
- Dashed blue line: safe area. Keep texts and logos at least 10 mm inside the cut.
- Dashed green line: fold. Do not place text across a fold.

How to send us your file

· PDF at 1:1 scale, not password protected, without crop or registration marks.
· CMYK colours with Fogra 39 profile · 300 dpi resolution.
· Fonts embedded or converted to outlines · strokes at least 0.25 pt.
· Use page 1 as a guide and delete it, with its lines, before exporting.
· Two equal panels of 14.85 cm; one PDF page for the outside, one for the inside.
